

## Caterpillar Flywheel Adapter Kit

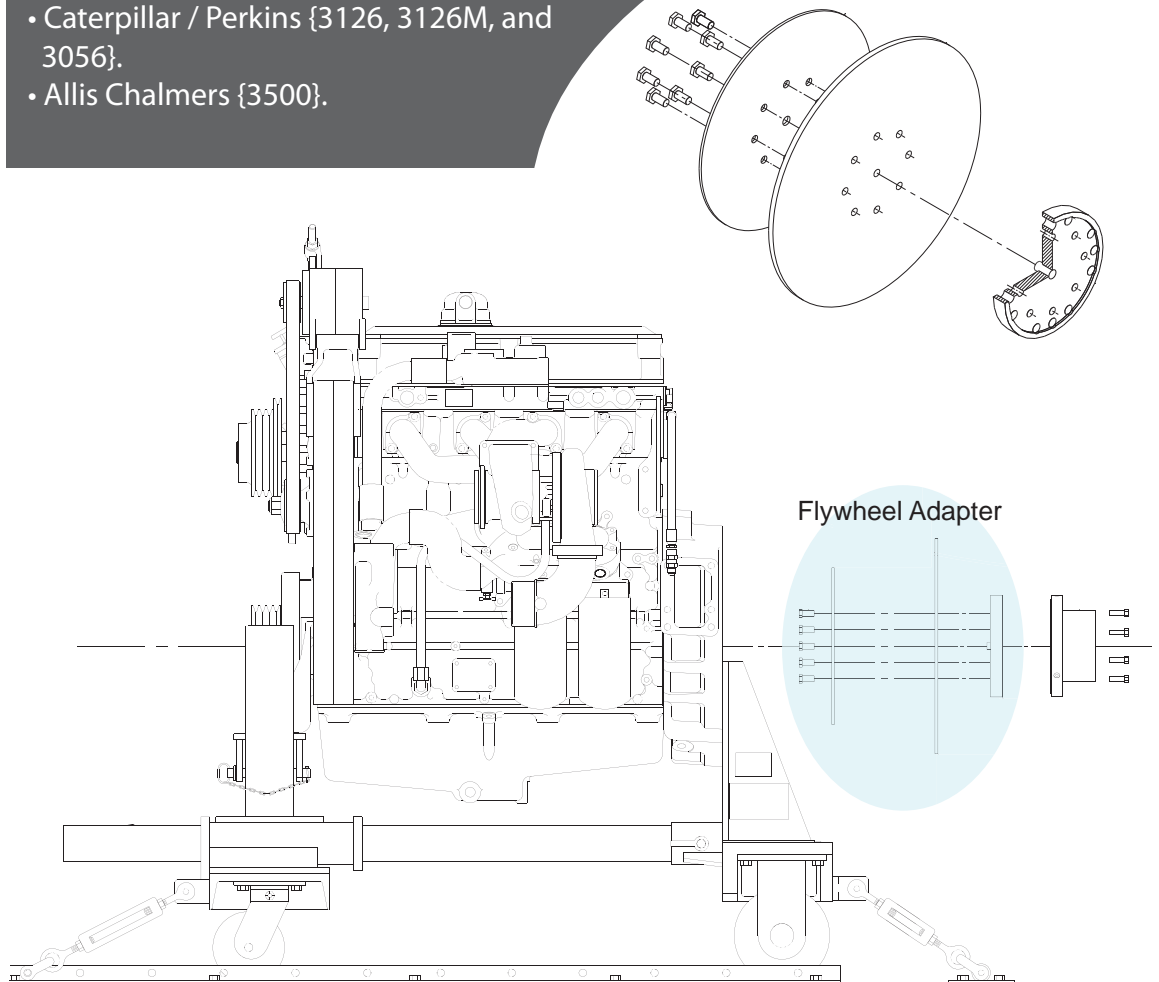

The Caterpillar Flywheel Adapter Kit contains the following items:

- An 1810 or 1880 / 1910 Hub Adapter
- Wall Mount Holder for your Adapters
- 8 Custom Flywheel Adapters
- 1 Blank Flywheel Adapter (for that unique application)
- 2 Pilot Plates for use on Pot-Type Flywheels

### Fit

It would be difficult to list every possible engine configuration that the Taylor Kit will fit due to discontinued and older engines. However, our Caterpillar Flywheel Adapter Kit will fit the most common engine configurations in addition to other older or discontinued models:

- Caterpillar {3046, D3, D4, D5, 3054, 3114, 3306, 3116, 3176, 3196, C9, C10, C12, 3406, 3408, C15, C16, D379, D398, D399 and C15}.
- Caterpillar / Perkins {3126, 3126M, and 3056}.
- Allis Chalmers {3500}.
