

Stone Guard / Chassis Dynamometer

Improve safety in and around your chassis dynamometer with Taylor Dynamometer's stone guard. Using heavy-duty steel tube construction, these guards greatly reduce the possibility of stones damaging equipment or injuring people in the dyno room.

Features

- Stainless steel mesh curtain
- Steel tubing 2 in. and 2-1/2 in. (51 mm and 63.5 mm)
- Swings 360° and is easily removable
- Easy addition to your dyno room

Everything you need to succeed
