

## Worktable Steps / Hydraulic Test Center

HTC without the Worktable Steps Accessory

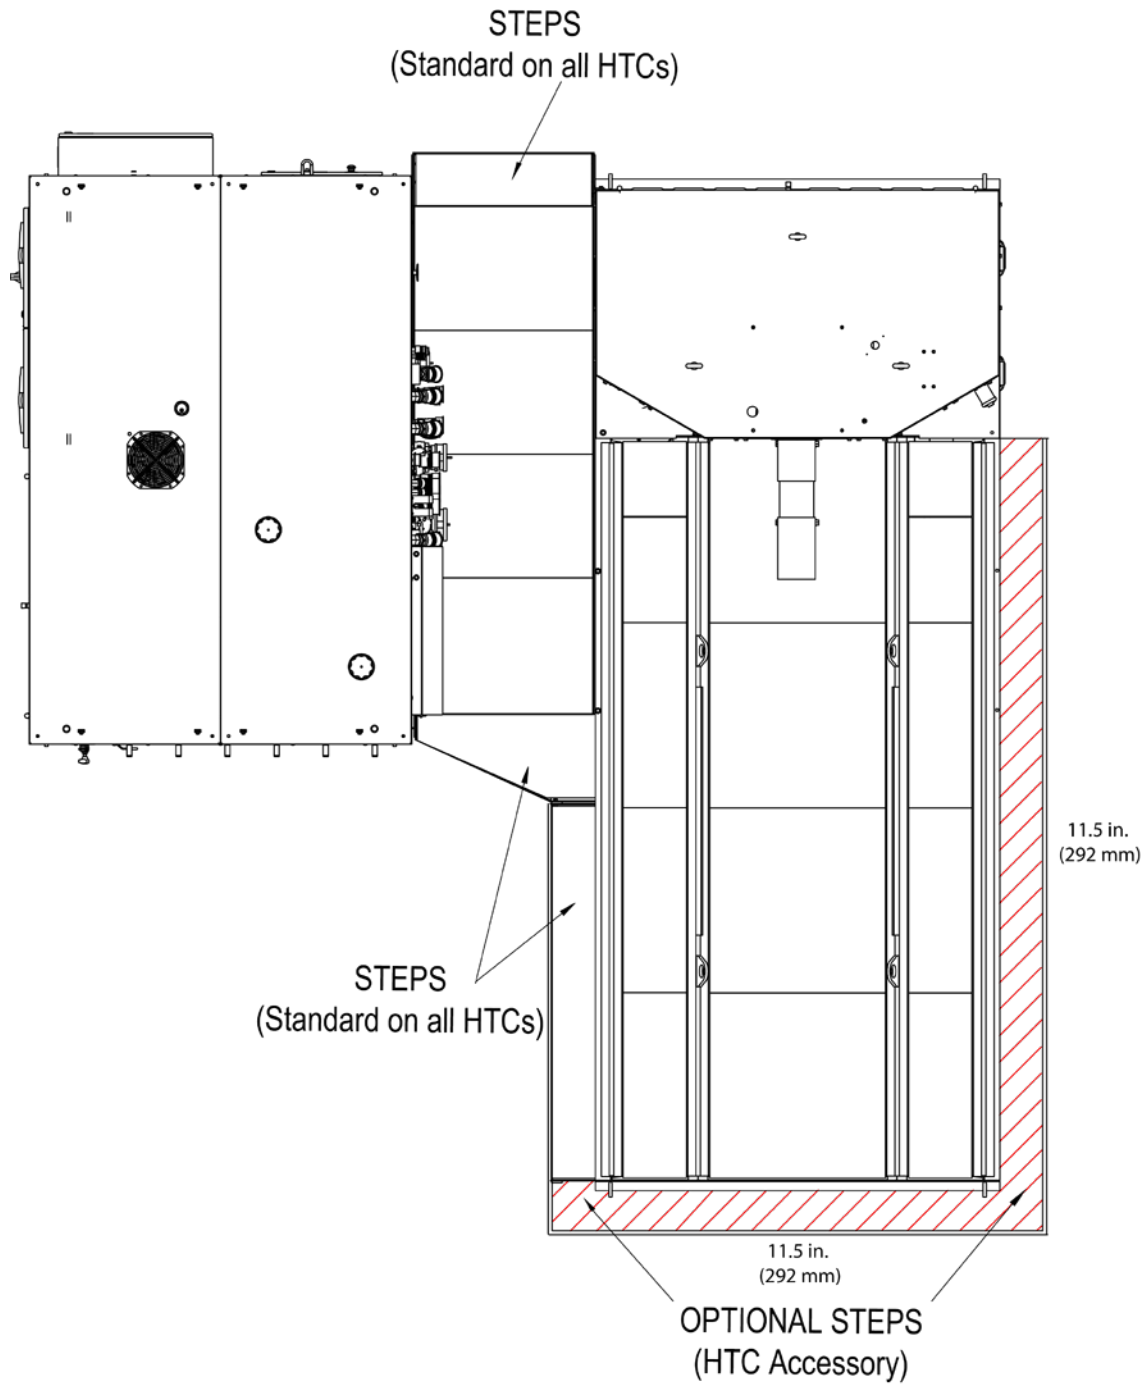

Steps shown here are standard on all HTCs

HTC with Worktable Steps Accessory

Add steps around the worktable of the Hydraulic Test Center (HTC). The steps add an additional 11.5 in. (292 mm) to the worktable area. Please ensure proper room size is available to accommodate the additional step. This accessory includes all hardware needed to attach the steps to the worktable.

***Everything you need to succeed***

The worktable steps accessory is highlighted in the drawing above.

*Everything you need to succeed*
